

The 5th International **SENSATION CELEBRATION - A Sensory Awareness Event**

October 2013 – WORLDWIDE

HELP RAISE AWARENESS FOR SENSORY PROCESSING DISORDER!

By organizing, supporting, or attending a SENSATION CELEBRATION wherever you live or work, you help raise awareness of Sensory Processing Disorder and funds for the Foundation's efforts to bring hope and help to those living or working with SPD.

Participate in this years "One Step at a Time" awareness event during National Sensory Awareness Month in October* or plan an event of your own. The possibilities are limited only by your imagination:

- **Take a walk** – Keep it simple and commit to taking a walk for The SPD Foundation. Collect pledges and hand out our awareness flyers. This can be a great way to build for a bigger, organized walk next year [all you need are your walking shoes!]. **OR** –
- **Organize a community race** or challenge event for SPD awareness. **OR** –
- **Plan a walk at your place of business** – Ask your employer if they will match the pledges you get! **Bonus:** An opportunity to raise awareness by posting information on the company (or departmental) bulletin boards, or intranet. **OR** –
- **The event YOU create!**

Create a your own fundraising page and collect pledges online through ColoradoGives.org.
